Dear PYFA Cheerleading Parents,

The PHS Cheerleaders have a website where pictures are posted of their activities throughout the year. Since Parkview Camp and assisting with PYFA Cheerleading are such important parts of their community involvement, we would like to include pictures from these activities on the website. In order to do so, we need your assistance. Below is a form giving the PHS Cheerleader Spirit Club (PHS CSC) permission to publish pictures of your child on the Internet website.

We also invite you to visit www.parkview.net to view updates about PHS and the PHS Cheerleading program. In addition to football and basketball games, the calendar of events will provide information on when and where the Competition Squads will be performing.

Thank you for reviewing the following form and returning it to your child's Cheerleading Coach. After collecting forms for their squad, Coaches will give them to the PYFA Cheerleading Directors. The Directors will pass them on to the PHS CSC Representative.

Thank you.
