What does the registration cost/activity fee cover?

Registration and activity fee that is paid upon registration covers all of the registration fees, game uniform (pants and jersey), a t-shirt, special events and things coordinated by the team mom during the season, end of the year banquet, gift and trophy, as well as coaches gifts.

What else will I need to buy for the season?

You will need to provide your player football cleats, a white helmet, pads (shoulder, leg and hip pads), a mouthpiece, practice jersey and pants.

Is the Parkview High School Football Camp mandatory and how do I register?

Football camp is July 25-28 and it is a Parkview run camp. It is not mandatory for Mtn. Park players, however, it is recommended. Many skills and fundamentals are taught by the Parkview coaches and the players do benefit a great deal from the camp. To register, contact the Community School Office at Parkview High School (770.806.3796 or www.Parkview.net).

What if my player cannot be at uniform fittings on the scheduled day?

You can take your player to Colter's Sporting Goods on Five Forks Trickum Rd. at Oak Rd. to be fitted **prior** to the scheduled fitting date. They will record his/her name, size, and jersey number.

How do I request a specific jersey number?

If your child played at Mtn. Park last year, you can request to have the same jersey number. If this is his/her first year, you can request your top three choices.

How much are physicals and do I have to have the physical done at Parkview?

Physicals at Parkview High School are \$10; however, you can have a physical completed by a physician of your choice. If you do not have this done at Parkview, you will need to provide an original physical, less than a year old, signed by a MD or DO.

What is the deadline for physicals?

The GFL rule states that no player can participate in practice of any kind, including try-outs on the 25th, without presenting MPAA with a current physical.

What are try-outs for?

Try-outs are to help the coaches determine a player's level of experience, speed, etc. to assist in the draft. If your player is not at try-outs, they are to be considered a "hat pick" in the draft, even if they are a returning player.

When will we know who our coach is?

The draft will take place on July 23rd. Your coach or team mom will call you after the draft for further instructions.
