

- Teams should be meeting no more than four times a week (combination of practice and games). A week is Sunday-Saturday.
- All practices are in italics. Practices were awarded based on who had the least number of games for the week. This helps keep the above guideline.
- All Games take priority over practice.
- YOUR PRACTICE CAN BE BUMPED FOR A MAKEUP GAME.
- There is no reschedules for practice, either for weather or for makeup games.
- You may practice at an alternate location. Please make sure to email me with the alternate location.
- Each team should have 12 games. There should be a combination of home and away.
- Theresa Lambert will be handling rainout game reschedules. When a game is rescheduled, it will not be rescheduled again unless there is another weather delay.
- Field 5 for Tee ball and Pee Wee will use the netted fence. If you are first on the field for the day, you need to arrive 15 minutes earlier than you normally would to set up the fence. If you are last on the field, you need to roll the fence and put it back in the storage room.
- All teams that are last on the field need to put away the bases DAILY. Please do not leave them out. Make sure to replace the plugs.
- When moving the rubber back and forth, make sure to get under the METAL plate, not just the rubber piece. Use the flat shovel in the small box under field 4 to get under the metal plate. If you pull on the rubber, it will separate from the steel plate. It this is \$80 to replace the movable rubbers. We have budgeted to replace them once a season.
- Lining materials for the fields are located in the rollup area next to the bathrooms.
- Make sure to exit the field at the scheduled time. Do not make the next team ask you to vacate. The same is true for games, please exit the dugout quickly for the next team.
- Home team is listed first.
